

# East Capital Valuation Day Calendar

## Trading calendar - East Capital UCITS Funds

The Trading Calendar shows the days the funds are closed. The frequency of calculation of NAV, as outlined in the prospectus, is being any valuation day that is a business day in Luxembourg and Sweden (except on 24 December) and which is also a day where stock exchanges and/or regulated markets in countries where the funds are materially invested are open for trading. Non-valuation days due to closed marketplaces for the underlying assets where the funds are materially invested, include public holidays, bank holidays and meteorological events such as Typhoon Signals or Black Rainstorm Warnings.

Please note that the Trading Calendar is indicative and may change during the year due to portfolio changes, or where markets change planned holidays, even with short notice. The Trading Calendar is updated continually, if you want to receive notifications when this calendar is updated please get in touch.

# East Capital Valuation Day Calendar

## Trading calendar - East Capital UCITS Funds

The Trading Calendar shows the days the funds are closed. The frequency of calculation of NAV, as outlined in the prospectus, is being any valuation day that is a business day in Luxembourg and Sweden (except on 24 December) and which is also a day where stock exchanges and/or regulated markets in countries where the funds are materially invested are open for trading. Non-valuation days due to closed marketplaces for the underlying assets where the funds are materially invested, include public holidays, bank holidays and meteorological events such as Typhoon Signals or Black Rainstorm Warnings.

Please note that the Trading Calendar is indicative and may change during the year due to portfolio changes, or where markets change planned holidays, even with short notice. The Trading Calendar is updated continually, if you want to receive notifications when this calendar is updated please get in touch.
